1) Because of the option to choose classes, the hours per week can vary. The required ECTS-workload has to be completed.

2) To ensure that all students are able to complete their curriculum successfully, there may be a compulsory registration in the Artistic Ensemble Practice lecture types even if the given ECTS-workload of the Artistic Ensemble Practice Module already is fulfilled.

Compulsory Optional Module / Declaration:

For completing the compulsory optional modules students may choose between the following three options:

- 1. Defined compulsory optional modules:** For the successful completion of a compulsory optional module a minimum of 6 ECTS-points have to be reached by passing the listed courses of the compulsory optional module (= linked module). The listed courses are electable within the linked module. In accordance with available resources the given compulsory optional modules may be attended repeatedly.
- 2. Individual compulsory optional modules:** Students may create compulsory optional modules individually; the title and content have to be permitted by the study commission (Studienkommission).
- 3. Elective Courses:** Freely electable courses (no approval needed!) in order to complete the required ECTS-workload.
